

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PETITION OF COIN PHONE MANAGEMENT )  
COMPANY FOR CONFIDENTIAL TREATMENT )      CASE NO. 92-139  
OF ITS 1991 ANNUAL REPORT            )

O R D E R

This matter arising upon motion of Coin Phone Management Company ("Coin Phone") filed July 1, 1992 pursuant to KRS 278.400 to reconsider the Commission's Order of June 11, 1992 denying confidential protection to the list of customer locations filed as a part of its 1991 Annual Report, and it appearing to this Commission as follows:

On June 11, 1992, the Commission declined to protect as confidential the list of locations of its coin telephones which Coin Phone filed as an attachment to its 1991 Annual Report. The Commission found that the same information was previously filed with the Commission and thereby made a matter of public record, so that it was no longer confidential. In its motion for reconsideration, Coin Phone states that it does not believe the information sought to be protected was previously filed with this Commission.

Local exchange companies have, at the request of the Commission, filed lists of the access lines furnished to providers of coin telephone service. The lists identify the owner of each coin telephone by name, telephone number, and location. The list

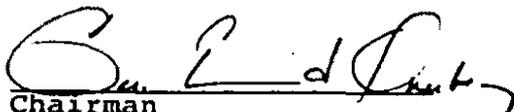

filed by South Central Bell Telephone Company includes the telephones operated by Coin Phone. This information is in the public record and, therefore, it is not confidential and it is not entitled to protection.

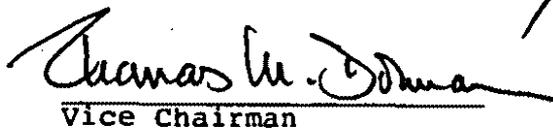

This Commission being otherwise sufficiently advised,

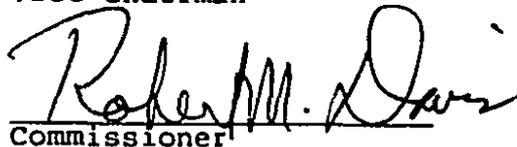

IT IS ORDERED that Coin Phone's motion to reconsider the Commission's Order of June 11, 1992 be and is hereby denied.

Done at Frankfort, Kentucky this 16th day of July, 1992.
