RE: Declaration of Force Majeure

Dear Mr. Chandler:

On March 20, 2020, pursuant to Section 4.5.2 of AT&T Kentucky’s Self Effectuating Enforcement Mechanisms Administration Plan (“SEEM Plan”), AT&T Kentucky declared a force majeure event in connection with various federal, state and local governmental declarations in order to mitigate the threat of the COVID-19 virus.

As anticipated in that declaration, due to availability of personnel versus the level of workload, AT&T Kentucky has experienced an impact to its Provisioning and Maintenance & Repair Service Quality Measures (“SQMs”) effective March 20, 2020, statewide.

AT&T Kentucky hereby submits the attached spreadsheet identifying the wire centers affected by this event. AT&T Kentucky will notify the Commission when the force majeure event period is concluded.

AT&T Kentucky will apprise the Commission periodically on status, providing notification as this force majeure event concludes. Additionally, AT&T will continue to keep CLECs notified via our normal processes.

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

*John T. Tyler by MPO
