### **Important Notice Regarding the Planned Grandfathering of Enterprise IP Trunking Provided by Level 3 Telecom, a CenturyLink Company**

Billing Account Number:

Dear [Customer Name] ,

At CenturyLink, our goal is to provide you with great quality and value while remaining competitive. Changing market conditions require that we continually evaluate our prices, product offerings and infrastructure, and occasionally our evaluation results in changes.

As of **October 30, 2020**, CenturyLink is grandfathering the Enterprise IP Trunking product offered by its Level 3 Telecom affiliates nationwide. This action is necessary because the platform associated with this service is no longer supported.

Enterprise IP Trunking is a Voice over Internet Protocol (VoIP) based service which provides PSTN access for TDM and IP telephony customer premises equipment.

On **October 30, 2020** or as soon after that date as authorized by the Federal Communications Commission and relevant state regulatory commissions, Level 3 Telecom's Enterprise IP Trunking product will no longer be available to new customers or for new orders from existing customers.

Service to existing customers of this service will be grandfathered as follows:

- Existing contracts for this service will not be renewed.
- Moves, Adds, and Changes will not be accepted.
- Customers with a contract may retain the Affected Service on a month-to-month basis once that contract expires.

We encourage you to migrate now to another CenturyLink service. A delay in migrating your service may risk business disruption due to network service unavailability if the equipment should go down.

We understand that this is an inconvenience, but we are confident that our team can seamlessly manage the entire process to provide your business with a better communications solution.

Please contact your account manager or our toll-free customer service number 800-871-9244 to speak with a sales contact for options that are available to you.

If you subscribe to other services from CenturyLink, those services will NOT be impacted by the anticipated grandfathering of the Enterprise IP Trunking product. Your other services will remain in place with no change to the applicable rates, terms, or conditions.

We appreciate your cooperation and prompt attention to this notice.

Thank you,

CenturyLink

**The following statement is required by the FCC:**

The FCC will normally authorize this proposed reduction or impairment of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed reduction or impairment of service. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Level 3 Telecom, a CenturyLink Company. Comments should include specific information about the impact of this proposed reduction or impairment of service upon you or your company, including any inability to acquire reasonable substitute service.
