Re: Kentucky Public Service Commission Case No. 2011-00401
Confidential Information Included in Kentucky Power Company's
Post-Hearing Brief

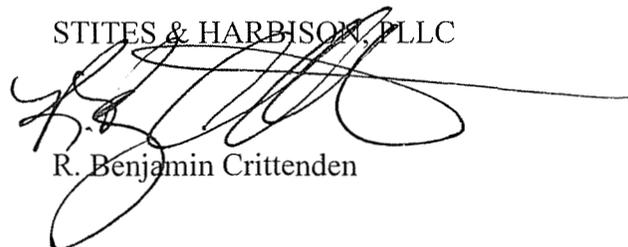

Dear Mr. Derouen:

The post-hearing brief filed by Kentucky Power Company in Case No. 2011-00401 contained confidential information. The information was the subject of the confidentiality petition filed by Kentucky Power on January 27, 2012 (addressing responses to data requests AG 1-22 and AG 1-23) and it related to testimony offered in the confidential session of the hearing conducted by the Commission on April 30, 2012 through May 2, 2012. Accordingly, the public copies of the post-hearing brief filed by Kentucky Power included redactions at page 14. Kentucky Power also filed an unredacted copy of the brief under seal pursuant to a confidentiality petition. The confidentiality petition was filed on May 11, 2012 and incorporated Kentucky Power's January 27, 2012 filing by reference.

Please don't hesitate to contact me if you have any questions about the intent of Kentucky Power's confidentiality filings.

Sincerely,

STITES & HARBISON PLLC

R. Benjamin Crittenden
