**9. RIGHT OF ACCESS**

The Cooperative's identified employees shall have access to member's premises at all reasonable times for the purpose of reading meter, testing, repairing removing or exchanging any and all equipment belonging to the Cooperative.

**10. MEMBER'S DISCONTINUANCE OF SERVICE**

Any member desiring service discontinued or changed from one location to another shall give the Cooperative three (3) days notice in person or in writing providing such notice does not violate contractual obligations.

**11. CONNECT AND RECONNECT CHARGES**

The Cooperative will make no charge for connecting service to the new member's installation of service provided the connection is made during regular working hours.

The Cooperative may make a service charge of \$10.00 (Ten Dollars) for reconnecting the service of any member whose service has been connected one or more times within the preceding twelve months. The service charge shall be an additional \$30.00 (Thirty Dollars) if made after regular working hours. Any service charge will be due and payable at the time of connection or upon notice of said charge.

**12. RESALE OF POWER BY MEMBERS**

All purchased electric service used on the premises of the member shall be supplied exclusively by the Cooperative, and the member shall not directly or indirectly sell, sublet, or otherwise dispose of the electric service or any part thereof.

B. SERVICE PROCEDURES (Continued)

13. SPECIAL CHARGES

The Cooperative will make a charge of \$10.00 (Ten Dollars) for each trip made during regular working hours or \$30.00 (Thirty Dollars) for each trip made after or before regular working hours - any service trip requested by a member to restore electric service when it is determined that the service interruption was caused by a defect in the member's wiring or equipment and is not the fault of the Cooperative.

14. SERVICE CHARGES FOR TEMPORARY SERVICE

Consumers requiring temporary service may be required to pay all costs of connecting and disconnecting incidental to the supplying and removing of service. In addition to this, a deposit will be required to cover estimated consumption of electricity. Both fees will be paid in advance. Any balance remaining at the end of temporary service will be refunded. (This rule applies to carnivals, fairs, voting booths.)

14.a SERVICE CHARGE FOR RETURN CHECKS

The Cooperative will make a charge of \$5.00 for each check returned unpaid by the bank for any reason. The returned check charge will be added to the amount of the returned check and be subject to the conditions set forth in Section E #24 - Unpaid Checks from Consumers.

C. METERS

15. METER TESTS

All new meters shall be checked for accuracy before installation. The Cooperative will, at its own expense, make periodical tests and inspections of its meters in order to maintain a high standard of accuracy and to conform with the regulations of the Public Service Commission. The Cooperative will make additional tests of meters at the request of the member, provided the member does not request such test more frequently than once in twelve (12) months and upon payment of a test fee of \$10.00 (Ten Dollars) paid in advance. When the test made at the member's request shows that the meter is accurate within 2% slow or fast, no adjustment will be made to the member's bill and the fee paid will be forfeited to cover cost of requested test. When the test shows the meter to be in excess of 2% fast or slow, an adjustment shall be made to the member's bill.

However, if a meter tests fast and if time for periodic test has overrun such that one-half (1/2) of the time elapsed since the last previous test exceeds twelve (12) months, then the refund shall be for twelve (12) months, plus those months exceeding the periodic test period. The cost of testing the meter found to be more than 2% fast will be borne by the Cooperative and the \$10.00 (ten dollars) test fee paid by the member will be refunded.

16. FAILURE OF METER TO REGISTER

In the event a member's meter should fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) months period immediately preceding the failure or the same billing period the past year.

17. DISCONTINUANCE OF SERVICE BY COOPERATIVE

A. The Cooperative may/shall refuse or discontinue to serve a member under the following conditions:

1. For non-compliance with its rules and regulations.
2. When a dangerous condition is found to exist on the member's premises.
3. When a member refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of Cooperative property.

**20. INSPECTION**

All wiring in a building must be inspected for compliance with all applicable Electric Codes by an inspector licensed by the State Fire Marshall and approved by the Cooperative, before the first connection for service.

For Buildings with Service Entrances of 200 Ampere or Less - the inspection fee shall be \$30.00 (Thirty Dollars). All buildings shall receive a rough-in and a final inspection. (Two Trips).

For Service Entrances Greater than 200 Ampere - the inspection fee shall be \$20.00 (Twenty Dollars) plus \$2.00 (Two Dollars) per circuit, and includes a rough-in and a final inspection. (Two Trips).

Mobile Home Services - Pole services for mobile homes and the supply feeder to the mobile home will be inspected in one trip at a \$15.00 (Fifteen Dollar) inspection fee.

When any of the employees of the Cooperative have notice or observe that electric wiring to which electric energy is served by the Cooperative, is in a condition so as to be dangerous to persons or property, such employees shall immediately notify the Manager of the Cooperative of such dangerous condition. If the Manager, upon investigation, determines that such dangerous condition exists, he shall have the service to the building where such condition exists discontinued and service shall not be restored to said premises until the dangerous wiring condition is corrected.

E. ELECTRIC BILLS

**21. BILLING**

Members will receive statement for electric service monthly on a date to be determined by the Board of Directors for service rendered for a thirty-day period ending the same day of the preceding month. All statements are due and payable upon receipt and shall be paid at the office of the Cooperative within thirty (30) days from the date of service as shown on bill. Failure to receive electricial statement will not release the member from payment obligation. Should the statement not be paid as above, the Cooperative may at any time thereafter on a ten (10) day written notice to the member discontinue service provided such service shall not be discontinued before twenty-seven (27) days after the mailing date of the original bill unless,

prior to discontinuance, a residential customer presents to the utility a written certification, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may be effected not less than thirty (30) days from the date the utility notifies the customer, in writing, of state and federal programs which may be available to aid in payment of bills and the office to contact for such possible assistance.

Budget billing is available to all residential consumers under the following terms and conditions:

1. Consumer must sign application for budget billing.
2. Application may be made at any time and the adjustment month will be May 15th billing each year with additional payment or credit due on or before June 15th following.
3. Should it become evident that the amount set up is substantially over or under the actual usage, the budget payment may be adjusted accordingly.
4. Any consumer being billed by budget payment contract agrees to all rules, regulations and policies as all other consumers receiving service from South Kentucky RECC with the exception of the budget paying being acceptable.
5. In addition to making the budget payment monthly, the consumer agrees to render a meter reading by the due date or if the account is estimated for three consecutive months, Co-op personnel will read the meter which will result in an additional \$10.00 service charge to be added to the bill, as stated in Rule #23.
6. The agreement may be cancelled by either party giving a 30 day notice or will automatically cancel upon failure of the member to make the scheduled monthly payment, or by disconnection of service.

22. TAXES

The Cooperative shall add to the bills of all applicable members the Kentucky Sales and Use Tax, any utility gross receipts license tax for schools or any other tax or levy that may be legally imposed on the Cooperative that is measured or determined by sales or receipts.

23. METER READING

Each member receiving service will be required to supply the Cooperative with the reading of each meter on the form as furnished by the Cooperative on the date as designated by the Cooperative. If any member shall fail to read the meter and supply such reading to the Cooperative Office by the date designated, for three (3) consecutive months, such meter may be read by a representative of the Cooperative and the member shall pay a service charge of \$10.00 (Ten Dollars) to cover cost of trip by such representative. In the event that an error in meter reading should be made or member fails to send in meter reading card, the member shall pay for that month either the minimum bill for the service he receives, or an amount approximately equal to his last bill. Then the following months's bill shall be computed on the regular sechedule prorated for two months and the amount paid shall be credited.

24. UNPAID CHECKS FROM CONSUMERS

When a check received in payment of a consumer's account is returned unpaid by the bank for any reason, that account is considered unpaid. The Cooperative will notify such consumer by letter stating the amount of the check, the reason for its return, and that a \$5.00 charge as specified in Section B #14.a is being applied. The consumer will be advised that he/she has ten (10) days or thirty (30) days from the date the bill was rendered, whichever is greater, in which to pay the check and service charge or service will be terminated.

25. BILLING ADJUSTMENTS TO STANDARD PERIODS

The first and final billing of an account for which less than the minimum amount of KWH are used shall be pro-rated based on KWH and time actually used. This pro-ration does not apply to demand charges and is not applicable if more than the minimum allowable KWH for a minimum bill is used.

26. DEPOSITS

1. A deposit approximately equal to two times the average monthly bill may be required of any member before service is supplied if the Cooperative deems it necessary to insure payment for the service it will render. The Cooperative may, at its own option, return the deposit after six (6) months. Upon termination of service, deposit may be applied against unpaid bills of the member, and, if any balance remains after such application is made, said balance to be refunded to the member.
2. Interest will accrue at the rate of 6% per annum on any deposit. Upon termination of service any accumulated interest will be applied against unpaid bills of the member, and if any balance remains after such application is made, said balance will be paid to the member.
3. The Cooperative will issue to every member from whom a deposit is received a certificate of deposit, showing the name of the customer, location of initial premises occupied, date and amount of the deposit.

27. PURPOSE OF CLASSIFICATION

Classification is a means for treating without discrimination, all members having similar characteristics in their use of service. Special classification will be avoided unless surrounding conditions are so unusual that to apply one of the existing rates or rules would result in serious injustice to either the particular member or to all other members.

The Cooperative will install underground distribution lines to a residential subdivision under the following conditions:

1. The subdivision being developed must consist of a tract of line which is divided into ten (10) or more lots for the construction of new residential buildings or the land on which is constructed two (2) or more new multiple occupancy buildings (refer to PSC Electric Rules, Appendix A for definitions of terms).
2. Developer or owner of subdivision shall be required to advance to the Cooperative a non-refundable payment in an amount equal to an "estimated average cost differential", if any, between the average or representative cost of underground distribution systems in residential subdivisions and of equivalent overhead distribution systems within the utility service areas. If the applicant is required to deposit the entire estimated cost of the extension, the amount in excess of the normal charge for underground extensions shall be refunded to the applicant over a ten (10) year period as provided in Public Service Commission 807 KAR 2:050, Section 10.
3. The Cooperative will construct underground distribution facilities in the subdivision adequate to render single-phase 120/240 volt service.
4. Three phase primary mains or feeders required within a subdivision to supply local distribution or to serve individual three phase loads may be overhead unless underground is required by governmental authorities or chosen by applicant, in either of which case the differential cost of underground shall be born by the applicant.
5. Developer or successor in title shall grant a right-of-way satisfactory to the Cooperative for the installation, operation and maintenance of its underground facilities.
6. If developer provides and installs the secondary service lines to the residence from service pedestal located on easement, the Cooperative shall give the applicant credit in computing the entire estimated cost of the extension for \$50.00 (Fifty Dollars) or the equivalent cost of

DETERMINATION OF BILLING DEMAND: The billing demand shall be the maximum kilowatt demand established by the consumer for any period of fifteen consecutive minutes during the month for which the bill is rendered, as indicated or recorded by a demand meter.

POWER FACTOR ADJUSTMENT: The consumer agrees to maintain unity power factor as nearly as practicable. Demand charges will be adjusted for average power factors lower than 90% and may be so adjusted for other consumers if and when the Seller deems necessary. Such adjustments will be made by increasing the measured demand 1% for each 1% by which the average power factor is less than 90% lagging.

MINIMUM CHARGE: The minimum monthly charge shall be the highest one of the following charges:

- (a) The Consumer Charge-No KWH Usage as stated in Rates Per Month, or (T)
- (b) The minimum monthly charge as specified in the contract for service, or
- (c) A charge of \$.80 per KVA of required transformer capacity. The Seller may, if it so desires, install transformers of capacity larger than required, but in such case, the Consumer's minimum bill shall be based on the standard transformer size which would have been adequate for consumer's load. (I)

CONDITIONS OF SERVICE:

- 1. An agreement for purchase of power shall be executed by the consumer for service under this schedule as deemed necessary by the Seller.
- 2. Delivery Point - If service is furnished at secondary voltage, the delivery point shall be the metering point unless otherwise specified in the contract for service. All wiring, pole lines and other
