RULES AND REGULATIONS

Schedule of Special Charges

1. Sewer Deposit: The District reserves the right to request that an equal deposit of \$20.00 (twenty dollars) be charged for the purpose of establishing or maintaining a customer's credit. Upon the payment of such deposit; the District shall issue to such customer a certificate of deposit, showing the name of the customer, the location of the initial premises occupied, and the date and amount of the deposit. Service may be refused or discontinued for failure to pay the required deposit. The District will pay to such customer interest on such deposit at the rate interest is earned by the District, but not to exceed six percent (6%) per annum, until such deposit is reimbursed to the customer, except that no credit will be made if the customer's bill is delinquent on the anniversary date of the deposit. The District may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. The customer shall also be advised of the right to have such deposit recalculated every eighteen months based on actual usage. The customer shall be advised in writing on the application for service of this right. Upon termination of service, the deposit, any principal amounts, and any interest earned and owing will be credited to the final bill with any remainder refunded to the customer.
2. Service Connection Charge: A charge of \$15.00 shall be made for all service reconnections (water/sewer) made during regular working hours, except that there be no connection charge made for service on the original installation of facilities. If service is reconnected other than during regular working hours the charge shall be \$35.00.
3. Delinquent Service Charge: A charge of \$15.00 shall be made for a trip to disconnect a delinquent account. A reconnection charge of \$15 shall be made if reconnected during regular working hours.
4. Late Payment Penalty Charge: A charge of 10% shall be added on each customers unpaid water/sewer bill after the 20th of each month.
5. Return Check: A charge of \$25.00 shall be charged for any returned check received by the District.

RULES AND REGULATIONS

- A. All connections to the sewer system of the District shall be made by and/or under the direction and supervision of District personnel. Each customer connecting to the sewer system of the District will be required to pay a connection charge which will not be in excess of an amount sufficient to enable the District to recoup the actual costs of making such connection.
- B. Water service may be discontinued by the District, upon 10 days' written notice (except that in the event of a violation under Item 5 below, water service may be terminated immediately), for any violation of any rule, regulation, or condition of service relating to the sewer system, and especially for any of the following reasons:
 1. Misrepresentation in the application or contract as to any unusual or extraordinary use to be made of sewer facilities.
 2. Failure to report to the District additions to the property or fixtures to be served by or additional use to be made of sewer facilities.
 3. Connection of a storm water drain with the sewer system of the District or any other introduction of storm water into the sewer system.
 4. Placing or discharging into the sewer system any substances which will create a combustible, gaseous, explosive, or inflammable condition in said system, or discharging into said system any substances or objects which will not dissolve and which will thus cause an obstruction and clogging within said system, or placing or discharging of petroleum products into the sewer system.
 5. When a dangerous condition is found to exist on the customer's or applicant's premises, with reference to the continuation of sewer service, water service shall be cut off without notice or shall be refused, provided the District shall notify the customer or applicant immediately of the reasons for service discontinuance or refusal and the correction action to be taken by the applicant or customer before services can be restored.

First Revised SHEET NO. 5

South 641 Water District
(NAME OF UTILITY)

C. Bills and notices relating to the conduct of the business of the District will be mailed to the customer at the address listed on the user's agreement unless a change of address has been filed in writing with the District; and the District shall not otherwise be responsible for delivery of any bill or notice nor will the customer be excused from the payment of any bill or any performance required in said notice.

D. 1. Bills for sewer service (which shall be included on the water bill of each sewer customer) are due and payable at the office of the District, or to any designated agent, on the date of issue. The past due date shall be the 20th day of each month. A late payment charge will be added on each customer's unpaid bill after the 20th of each month.

2. All bills not paid on or before the past due date shall be deemed delinquent. When a bill has been delinquent for a period of five days, the District shall serve a customer a written final notice of said delinquency, and of the intent of the District to discontinue service five days after the date of such notice unless such bill is paid prior to the expiration of such five days. Under no circumstances shall service be terminated before twenty (20) days after the mailing date of the original unpaid bill. If a delinquent bill is not paid within five days after the date of such final notice, the water/sewer supply to the customer may be discontinued without further notice, provided, however, if, prior to discontinuance of service, there is delivered to the District, or to its employee empowered to discontinue service, a written certification signed by a physician, a registered nurse, or a public health officer, that, in the opinion of

the certifier, discontinuance of service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until 30 days elapse from the time of the District's receipt of said certification, whichever occurs first.

E. Where the water supply to the customer has been discontinued for nonpayment of delinquent bills, a charge, in accordance with PSC Approved Schedule of Special Charges will be made for reconnection of water/sewer service, but the reconnection will not be made until all delinquent bills and other charges, if any, owed by the customer to the District have been paid.

F. Where a water meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register, and bills for sewer service shall be computed accordingly.

PUBLIC SERVICE COMMISSION
