**A3. BASIC LOCAL EXCHANGE SERVICE**

**A3.1 General**

- A. The provisions of Section A3 of this Tariff are applicable to all regulated basic local exchange service offered by the Company in any Kentucky exchange other than: Bowling Green, Corbin, Frankfort, Georgetown, Henderson, Hopkinsville, Louisville, Owensboro, Paducah, Richmond, and Winchester,<sup>1</sup>
- B. Rates for Basic Local Exchange Service are related to the total number of main station lines<sup>1</sup> (including Centrex Type Services main station lines, except as provided following,) and PBX trunks (including trunks providing Service to U.S. Government-owned systems serving certified military bases) in the Limited Local Calling Area.
- C. Local Exchange Service, Exchange Service Areas, and Local Calling Areas for each exchange are set out in this Tariff.
- D. The rates for service and equipment not specifically shown in this section are presented in other sections of this Tariff.
- E. Individual (Ind.) and two-party (2-Pty.) line Residence and Business Main Station Line Service are comprised of serving central office line equipment and outside plant facilities needed to connect the serving central office with the customer premises at the demarcation point. These facilities are Company-provided and maintained and provide access to and from the telecommunications network for Message Toll Service and for local calling.
- F. Measured Rate Main Station Line or Trunk Service is available only to those customers subscribing to the service on January 19, 1984, or who had ordered the service by that date for later installation. The service will remain available to those subscribers only in those central offices which were furnishing the service on January 19, 1984.
- G. Pursuant to KPSC Administrative Case No. 333, a monthly surcharge shall be imposed on all local exchange access lines, MultiServ service lines and MultiServ PLUS service lines or in the case of ESSX service and Centrex service, per Network Access Register (NAR). For purposes of application of this surcharge, access lines are defined as facilities which provide access to and from the telecommunications network for toll service and for local calling with the exception of Public Coin, WATS, Remote Call Forwarding, Radio Common Carriers, InterLATA Foreign Exchange Lines, Private Line Services, Mobile, Other Common Carriers, and Company Official Accounts. The Commission has determined in KPSC Administrative Case No. 372, Order dated February 16, 2009, that the amount of the surcharge will be \$.02 per access line effective June 1, 2009; however, this amount is subject to change by the Commission to meet the needs of providing Telecommunications Relay Service for the hearing and/or speech impaired persons in Kentucky.

Pursuant to KPSC Administrative Case No. 372, Order dated May 31, 2006, the Telecommunications Devices for the Deaf (TDD) distribution program shall be renamed Telecommunications Access Program (TAP) and shall be funded by a monthly surcharge of \$.02 per access line beginning with bills rendered after July 1, 2006. As of December 1, 1999, the surcharge was combined with the Telecommunications Relay Service surcharge. The resulting combined surcharge (\$.04 per access line from June 1, 2009) shall appear as a separate line item on the customer's bill and shall read "TRS/TAP Surcharge."

- H. Effective July 10, 1993 two-party (2-Pty) line service is being obsoleted. This service will not be offered for new installations or transfers of service to a new location.  
 Effective January 24, 1994, the Company will begin a program to upgrade two-party customers to individual line service. Customers will be notified prior to their service being changed. When upgraded, residential customers will be allowed to continue paying two-party zone charges (see Section A103.) until one of the following occurs: transfer of service to new location; additional line(s) added; or requested relocation of Company facilities.

- I. Pursuant KPSC Administrative Case No. 360, a monthly Intrastate Universal Service Surcharge shall be imposed on all local exchange access lines, MultiServ service lines and MultiServ PLUS service lines or in the case of ESSX service and Centrex service, per Network Access Register (NAR). For purposes of application of this surcharge, access lines are defined as facilities which provide access to and from the telecommunications network for toll service and for local calling with the exception of WATS, Remote Call Forwarding, Radio Common Carriers, InterLATA Foreign Exchange Lines, Private Line Services, Mobile, Interexchange Carriers, and Company Official Accounts. The Commission has determined in Case No. 2016-00059, Order dated **March 10, 2016**, that the amount of the surcharge will be **\$.14** per access line; however, this amount is subject to change by the Commission to meet the needs of the Universal Service Fund in Kentucky. The surcharge shall appear as a separate line item on the customer's bill.

**Note 1:** The prices, terms, and conditions for Company services offered in the Bowling Green, Corbin, Frankfort, Georgetown, Henderson, Hopkinsville, Louisville, Owensboro, Paducah, Richmond, and Winchester exchanges are governed by other documents, including without limitation applicable Residential Service Agreements, Business Services Agreements, InterLATA Exchange guidebooks, and/or price guides.

### A3. BASIC LOCAL EXCHANGE SERVICE

#### A3.4 Regrouping

Rates for Local Exchange Service are set out in this Tariff for each exchange and vary depending upon the number of main station lines (including Centrex Type Services main station lines, except as provided following,) and PBX trunks (including trunks providing ESSX service to U.S. Government-owned systems serving certified military bases) included in the Limited Local Calling Area of each exchange<sup>2</sup>. When an exchange changes from one group to another because of increase or decrease in station lines and trunks, the rates for the appropriate higher or lower group will become effective, after a waiting period of four months, upon the filing of a revised tariff in accordance with statutory provisions and the Rules and Regulations of the Commission. ### A3. BASIC LOCAL EXCHANGE SERVICE

#### A3.31 Lifeline

##### A3.31.1 Description of Service

- A. The Lifeline program is designed to increase the availability of telecommunications services to low income subscribers by providing a credit to monthly recurring local service for qualifying residential subscribers. Basic terms and conditions are in compliance with *FCC rules and regulations including* the FCC Report and Order and Further Notice of Proposed Rulemaking in WC Docket No. 11-42, adopted January 31, 2012, *and the Lifeline and Link Up Reform and Modernization Third Report And Order, Further Report And Order, and Order on Reconsideration, WC Docket No. 11-42 (rel. April 27, 2016) ("Lifeline Reform and Modernization Order")*. Specific terms and conditions are as prescribed by the Kentucky Public Service Commission and are as set forth in this tariff. (T)
- B. Lifeline is supported by the federal universal service support mechanism.
- C. Federal uniform support of \$9.25 is available for each Lifeline service and is passed through to an eligible customer via a monthly Federal Lifeline credit. An additional \$3.50 credit is provided by the Company. The total monthly Lifeline credit available to an eligible customer in Kentucky is \$12.75. The amount of credit will not exceed the charge for local service.

##### A3.31.2 Regulations

###### A. General

- 1. One low income credit is available per household and is applicable to the primary residential connection only. Lifeline support is limited to a single subscription per household where household is defined to be any individual or group of individuals who are living together at the same address as one economic unit. For the purposes of this rule, an economic unit consists of all adult individuals contributing to and sharing in the income and expenses of a household.
- 2. A Lifeline customer may subscribe to any local service offering available to other residence customers.
- 3. Toll blocking, if elected, will be provided at no charge to the Lifeline subscriber.
- 4. The deposit requirement is not applicable to a Lifeline customer who subscribes to toll blocking. If a Lifeline customer removes toll blocking prior to establishing an acceptable credit history, a deposit may be required. When applicable, advance payments will not exceed the connection and local service charges for one month.
- 5. Lifeline service is exempt from the Installment Billing Service Fee.
- 6. The Federal Universal Service Charge will not be billed to Lifeline customers.
- 7. A Lifeline subscriber's local service will not be disconnected for non-payment of toll charges. Local service may be denied for non-payment of local calls in accordance with A2. Access to toll service may be denied for non-payment of toll charges. A Lifeline subscriber's request for reconnection of local service will not be denied if the service was previously denied for non-payment of toll charges.
- 8. Lifeline is not available for resale.

###### B. Eligibility

- 1. To be eligible for Lifeline, a customer must be a current recipient of any one of the following low income assistance programs.<sup>1</sup> (T)
  - a. Supplemental Security Income (SSI)
  - b. Supplemental Nutrition Assistance Program (SNAP)
  - c. Medicaid
  - d. Federal Public Housing Assistance (T)
  - e. (DELETED) (D)
  - f. (DELETED) (D)
  - g. (DELETED) (D)
  - h. Veterans and Survivors Pension Benefit (N)

Note 1: Effective December 2, 2016, in compliance with the FCC "Lifeline Reform and Modernization Order", Temporary Assistance for Needy Families (TANF), Low Income Home Energy Assistance Program (LIHEAP) and National School Lunch Program's free lunch program are no longer criteria for the federal Lifeline program. Existing qualified customers under these programs prior to December 2, 2016, and who remain qualified for these programs, may retain the Lifeline discount until such time as they must re-certify under current FCC rules and criteria.

#### A3.31 Lifeline (Cont'd)

##### A3.31.2 Regulations (Cont'd)

- B. Eligibility (Cont'd)** (M)
2. Additionally, customers not receiving benefits under one of the preceding programs, and whose total gross annual income does not exceed one hundred and thirty-five percent (135%) of the Federal Poverty Guidelines are eligible for Lifeline. (M)
  3. All applications for service are subject to verification with the state agency responsible for administration of the qualifying program. (M)
- C. Certification**
1. Proof of eligibility in any of the qualifying low income assistance programs should be provided to the Company at the time of application for service. The Lifeline credit will not be established until proof of eligibility has been received by the Company. If the customer requests installation prior to the Company's receipt of proof of eligibility, the requested service will be provided without the Lifeline credit. When eligibility documentation is provided subsequent to installation, the Lifeline credit will be provided on a going forward basis. Recertification is required *periodically in accordance with FCC rules*. (T)
  2. The Company reserves the right to periodically audit its records, working in conjunction with the appropriate state agencies, for the purpose of determining continuing eligibility. Information obtained during such audit will be treated as confidential information to the extent required under State and Federal laws. The use or disclosure of information concerning enrollees will be limited to purposes directly connected with the administration of the Lifeline plan.
  3. When a customer is determined to be ineligible as a result of an audit, the Company will contact the customer. If the customer cannot provide eligibility documentation, the Lifeline credit will be discontinued.

##### A3.31.3 Rates and Charges

- A. General**
1. Lifeline is provided as a monthly credit on the eligible residential subscriber's access line bill for local service.
  2. Service Charges in Section A4 are applicable for installing or changing Lifeline service.
  3. The Secondary Service Charge in Section A4 is not applicable when existing service is converted intact to Lifeline service.
- B. The total Lifeline credit consists of one Federal credit plus one Company credit'** (T)
