**RE: Notice of Crown Castle NG Central LLC's Intent to provide Telecommunications Services as a Telephone Utility in Kentucky**

Dear Mr. DeRouen:

In accordance with the provisions of Administrative Case Nos. 359 and 370, Crown Castle NG Central LLC ("Crown Castle" or "Applicant") hereby advises the Commission of its intent to provide telecommunications services throughout the State of Kentucky. Crown Castle NG Central LLC is a duly formed limited liability company, organized under the laws of the State of Delaware. Crown Castle's Certificate of Formation attached hereto as Exhibit A.

Crown Castle seeks to provide facilities-based local transport services (hereinafter referred to as "Services") to customers throughout the State of Kentucky. Crown Castle proposes to provide these Services through a combination of its own facilities and facilities to be leased from a variety of telecommunications carriers.

Applicant's Services will typically rely on a technical platform known as a "Distributed Antenna System," or "DAS." Crown Castle's "RF transport services" will use fiber optic technology, including multi-wavelength optical technology over dedicated transport facilities, to provide telecommunications companies with transport options. RF transport services connect wireless capacity equipment (i.e., antennas) to bi-directional, RF-to-optical conversion equipment at a hub facility. The hub facility can be customer or Crown Castle-provided. The conversion equipment allows Crown Castle to accept RF traffic from the customer and then send bi-directional traffic transmissions across the appropriate optical networks. At the remote end, Crown Castle or the customer company will provide RF-to-optical conversion equipment to allow bi-directional conversion between optical signals and RF signals. RF signals can be received and radiated at this remote node by the customer company.

The Services are customized to the transport and backhaul needs of individual customers. Pricing information for all non-custom services will be available on the Applicant's website.

TARIFF BRANCH  
RECEIVED

PUBLIC SERVICE  
COMMISSION  
OF KENTUCKY

Applicant does not intend to furnish switched residential or business telephone service, and as such, Applicant does not intend to file an interconnection agreement with the Commission. Applicant also does not seek to provide operator assisted services to traffic aggregators as defined in Administrative Case No. 330.

Repair, maintenance and all customer-affecting issues are usually directed to Crown Castle's Customer Service, which operates 24 hours a day, 7 days a week. Customer Service employees then dispatch the appropriate Kentucky technicians, as necessary and appropriate. The Customer Service telephone number 1 (800) 788-7011.

The Information Form for Telephone Utilities required by KRS 278.542(2) is enclosed. In addition, please use the information below to add Crown Castle to the Commission's records.

**1. Name and Address of the Carrier**
